

!!New Welfare Procedure – Immediate Effect!!

In order for us to ensure the welfare of our swimmers and to comply with Swim England guidelines please can all parents and guardians note the following changes to collection routines.

LEAVING PART WAY THROUGH A SESSION - If a swimmer needs to leave the training session early for any reason please can Parents/Guardians send a communication/message via SPOND prior to the session. Swimmers will then need to be collected from the actual poolside where they will wait with their coach until they can be collected in person.

END OF SESSIONS - At the end of each session Parents/Guardians are asked to collect their children from the reception area of the Leisure Centre promptly (not in cars in the car park). This ensures that we know who has been collected.

If you allow your child to walk home after a session unaccompanied, please can you message the committee on SPOND so we have a record of your approval for this.

PLEASE NOTE THIS SWIM ENGLAND DIRECTIVE APPLIES TO ALL SWIMMERS UNDER THE AGE OF 18

Can we also ask that you share this information with your children.

Thank you

Loftus Dolphins Committee
